Dear Kathryn MacDonald

Congratulations Chelmsford HC on achieving England Hockey ClubMark accreditation.

ClubMark

It is my great pleasure to inform you that you are one of a select number of hockey clubs across England to achieve England Hockey ClubMark accreditation.

Please find attached your certificate of achievement. Achieving England Hockey ClubMark is an important step in ensuring your club operates to a set of core criteria and has good practices in place to ensure that you can deliver quality hockey in a sustainable and vibrant club environment.

As we stride towards a 'Nation where Hockey Matters' we wanted to acknowledge and thank you for your commitment and dedication to creating more, better and happier hockey players.

Congratulations once again on achieving England Hockey ClubMark, and best of luck to all your club members for the future.

Yours Sincerely,

Nick Pink
Chief Executive
